The colours faded into darkness, I was left alone

3. May I return to the beginning, The light is dimming, and the dream is too
The world and I, we are still waiting, Still hesitating
Any dream will do

A crash of drums, a flash of light, My golden coat flew out of sight
The colors faded into darkness, I was left alone

I don't know if you can see, the changes that have come over me
In these last few days, I've been afraid that I might drift away
I've been tellin old stories, singing songs
That made me think about where I came from
'N' that's the reason why I seem so far away today.

Chorus

Let me tell you that I love you And I think about you all the time
Caledonia you're callin me and I'm goin home
If I should become a stranger You know that it would make me more than sad
Caledonia's been everythin I've ever had.

Travelled hard with conscience flyin, Somewhere with the wind
Chorus

Flames that couldn't get any higher, They've withered now they're gone

18. SWEETS FOR MY SWEET

Oo

Sweets for my sweet, sugar for my honey Your first sweet kiss thrilled me so
Sweets for my sweet, sugar for my honey I'll never ever let you go

If you wanted that star that shines so brightly To match the stardust in your eye, Darling,
I would chase that bright star nightly And try to steal it from the sky And I would bring

Sweets for my sweet, sugar for my honey, Your first sweet kiss thrilled me so
Sweets for my sweet, sugar for my honey, I'll never ever let you go
