

VE DAY 2020

1. We'll meet again,
Don't know where, don't know when,
But I know we'll meet again Some sunny day.
Keep smiling through, Just like you always do,
'Till the blue skies drive the dark clouds far away.

So will you please say hello To the folks that I know,
Tell them I won't be long.
They'll be happy to know That as you saw me go,
I was singing this song

We'll meet again,
Don't know where, Don't know when,
But I know we'll meet again, Some sunny day.

2. We're gonna hang out the washing

1. Mother dear, I'm writing you ffrom
somewhere in France,
Hoping this finds you well.
Sergeant says I'm doing fine, a soldier and
a half, Here's a song that we'll all sing,
It'll make you laugh!

CHORUS

We're gonna hang out the washing on the
Siegfried Line, Have you any dirty washing, mother dear?
We're gonna hang out the washing on the Siegfried Line, 'Cause the washing day is here.
Whether the weather may be wet or fine, We just rub along without a care!
We're gonna hang out the washing on the Siegfried Line, If the Siegfried Line's still there!

2. Everybody's mucking in and doing their job, Wearing a great big smile.
Everybody's got to keep their spirit up today, if you want to keep in swing, Here's a song to sing;

CHORUS

3. It's a long way to Tipperary

It's a long way to Tipperary, It's a long way to go.
It's a long way to Tipperary To the sweetest girl I know!
Goodbye Piccadilly, Farewell Leicester Square!
It's a long long way to Tipperary, But my heart's right there.

4. PACK UP YOUR TROUBLES IN YOUR OLD KIT BAG

1. Pack up your troubles in your old kit bag_ And smile, smile, smile.
While you've a Lucifer to light your fag Smile boys, that's the style
What's the use of worrying It never was worth while
So, pack up your troubles in your old kit bag And smile, smile, smile.

2. Pack up your troubles in your old kit bag And smile, smile, smile.
Just pucker up and whistle (Whistle.....)
What's the use of worrying It never was worth while
So, pack up your troubles in your old kit bag And smile, smile, smile.
